Make a day of it by exploring the museum, browsing the library, and taking part in activities and events this Easter.

World Book Day 2024

Many of our libraries joined in this year's World Book Day celebrations. Loughborough Library had a special Spot Wriggly Readers, and a Spot the Dog photo op.

Don't forget, every day is like World Book Day in our libraries, and we have displays, events and activities on all-year round. Visit your local library for more information. You can also follow us on Facebook to find out more about what's on in our libraries (www.facebook.com/yourlibrary).

Birstall Library Comic Book Project

Over the last 5 months we have been undertaking a Comic Book project at Birstall Library. Jessi Illustrates, our fabulous Creative Practitioner, worked with two groups of children: an after-school group for 7-11 year olds and their families who named themselves 'Comic Creators', and Hallam Fields Primary School's Year 4 class, whose alter ego became 'The Bunch of 30 Badgers'!

We held a series of 5 workshops with each group, in which Jessi taught them all things comic book, from facial expressions to speech bubbles, and from backgrounds to story structure. At the end of these workshops, we held a very special Celebration, where the results of their hard work were revealed: A fabulously funny comic book in which each child had their comic strip published, a colourful and vibrant art exhibition, and an interactive magnetic Comic Book Wall that will remain in the library to inspire more potential comic book artists!
