5th March Div ½ Mixed Football

Thanks Matthew Thompson for running the leagues this year. His report is below:

The wait is finally over!! League tables for Division 1 & 2 are in. Thank you everyone for your help and support this season and hopefully everyone has enjoyed how competitive the leagues have been this year. A big thank you to Kieran and the volunteer refs from Welland Park who have been a huge help.

Congratulations

to Market Harborough C of E for winning Division 1 this year with Church Langton & Meadowdale pushing them all the way.

Congratulations to Kibworth B who ran away with Division 2 winning all their matches!!!

Well done to MH CofE and Meadowdale who will take part in the Carnival Football event Saturday 8th June 1-4 down at Symingtons.

19th March Div 1 Girls Football

Firstly, I'd like to thank you all for your help and support with the girl's league this year. I feel it has been immensely more successful than last year, so hopefully we can keep moving in this direction going forward.

A huge congratulations to MH CofE 'B' and Kibworth for finishing in the top 2 and qualifying for the Harborough Carnival Finals. Kieran will be in touch with more details shortly.

I will pass on the trophy to CofE at the Quicksticks event after the easter holidays.

Thanks again and well done to all that took part.

SLSSP Wider Partnership Work – Spring Term 2024

Primary Gymnastics

On the 27th February, we hosted our annual South Leicestershire Primary Gymnastics Competition at Aylestone Leisure Centre. This year we used the new RISE Gymnastics format, giving schools and gymnasts more flexibility to choose their skills and it proved to be a fantastic event! In total, 32 teams and over 130 pupils took part in a fun filled day of Gymnastics activities - well done to all that took part and congratulations to our winners!

Sportsability Festival

Congratulations to Greenfield primary school who were our overall winners of the Sportsability Festival for SEND pupils, they will go through to represent Blaby & Harborough alongside Woodland Grange (Oadby & Wigston) at the county finals in June – good luck! Finally, a big well done to our Spirit of the Games winners, Cosby Primary School!

Tag Rugby Festival

As part of our DEVELOP event strand, we hosted our Year 3/4 Tag Rugby Festival at Market Harborough RUFC on the 14th March. Over 150 children from 15 schools took part in a carousel of skill-based activities followed by some friendly matches. A big thank you to MHRFC for hosting and the fantastic leaders from Robert Smyth and Welland Park who helped make it a brilliant event. Unfortunately, the O&W and Blaby event was cancelled due to poor weather and this will be rearranged for the summer term.

Move it March 2024

A big thank you to everyone that has got involved in Move it March throughout this half term. In total, a record 53 schools have signed up and it's fantastic to see so many children involved. Please remember to submit your results by **Friday 15th April** to win prizes for your school.

Aspiration Active

Our Aspiration Active celebration events took place this term with our Blaby and Oadby & Wigston schools. Targeted groups of children took part in 5 weeks of coaching in school to improve confidence, self-esteem and levels of participation in physical activity, before being invited to a celebration event. Children took part in a fun filled morning trying out lots of different physical activities including Martial Arts, Wheelchair Basketball, Goalball, Archery and the climbing wall. It was fantastic to see so many confident and smiley children getting active and having fun!

Children's Mental Health Week & Wellbeing Ambassadors Part 2

Children's Mental Health Week ran from the 5th-11th February and this year's theme was 'My Voice Matters'. We put together a range of resources to empower children and allow them to express themselves during the week. KS1 children become superheroes and wrote positive and empowering messages to their fellow classmates. KS2 shared what was important to them, whether it was something in school, their community or in the wider world. It was fantastic to see so many schools getting involved and empowering their children and young people to say and believe 'My Voice Matters'.

We also held 2 Well-being Ambassador events during Children's Mental Health Week, where our fantastic Ambassadors shared the ideas they have imbedded in school to support students. We were blown away with the incredible work taking place, including daily wellbeing walks, buddie benches, lunchtime chat and support groups and even a school therapy dog!

Let Girls Play Football Week

The 'Let Girls Play Football Week' ran in schools across Leicestershire & Rutland from Monday 4th - Friday 8th March 2024. The aim of the week was to raise the profile of girls football in schools and help us to achieve our mission of equal access by 2024. Throughout the week, students took part in fun football challenges and a 'design a football kit' competition to raise awareness of girls participation in sport. Thank you to all schools who got involved!
